

SIGNATURE

Xenia Duo!

Xenia Duo is the new offering from Signature specifically targeted for Enlist 2,4-D acres. Formulated with our industry leading MSO Concentrate and a robust water conditioning package, growers can expect the highest performance from their Enlist tank mixes.

BENEFITS

- Supports Corteva's recommendation of an oil-based adjuvant system
- Reduced antagonism and increased uptake of Clethodim in these tank mixes with Enlist
- Increased ability to aid in tank mix compatibility
- Rates comparable to current products in market

PRODUCT DETAILS

- 12 oz. – 16 oz./A
- Water Conditioner inclusion
- NPE Free Formulation
